

XVII International Colloquium on Tourism AGE-UGI

“Tourism sustainability: overtourism vs undertourism”

5t to 9th of October 2020. October 10th field-trip.
Barcelona and Maó (Menorca).

Second circular

The Organizing Committee of the XVII International Colloquium on Tourism “*Tourism sustainability: overtourism vs undertourism*” informs you that over seventy abstracts have been submitted, ensuring a successful development of the meeting.

The defence and debate on these contributions to the Colloquium will be spliced, by previous election of their authors, between axe 1 “*Tourism sustainability: theoretical framework, diagnostic indicators, planning and management proposals*”, to be hold in **Maó** (Menorca) and axe 2, “*Space-time models of over-tourism and under-tourism*”, to be hold in **Barcelona**. This programme details the key speakers of these two axes, the opening and closing sessions.
